Hello Ed and Brent. Now that JM has had the opportunity to review the locations of previous investigations/removals, the Government would like to proceed with settlement. I am forwarding to you a draft settlement agreement for your review. I have attempted to address the concerns of JM and the requirements of the Government. I am prepared to recommend these terms. A final settlement is, of course, subject to the approval of the terms and form of settlement by EPA and DOJ officials with final settlement authority. Please give your comments and/or agreement at your earliest convenience. Meanwhile, I propose that we extend the tolling agreement by an additional 4 months. Sincerely,

Kenneth G. Long
